Welcome to Ghost Ranch!

We are so excited to host you for the wonderful experience of being in our magnificent surroundings, and for the opportunity to create beautiful, soul-searching work with like-minded artists.

This week, we will be reaching for magic, self-discovery, creative joy, spiritual immersion, and connection with the cosmos. Surely all this is within our artistic reach, if only we decide to seek it!

Thank you for including this reflective experience of Ghost Ranch in your yearly adventures. Let's have a most amazing week!

### Supplies List

#### 1) Notebook

Suggested: 9x12 or 11x14 sketchbook with blank pages, spiral bound or other, that will lie flat when opened. The Trading Post at Ghost Ranch does sell two different types of journals that would be suitable for our journaling work.

2) A few good fine point drawing pens. I personally prefer Pilot brand but Sharpie is also excellent.

3) Colored pencils, watercolor pencils, markers of your choice, acrylic paints, charcoal drawing pencils, soft pastels, gel pens (especially white).

Your preference on materials is entirely your choice, according to what you enjoy using, and there will be a selection of materials for sharing if you care to try a medium you're not as familiar with.

4) Scissors

5) Glue sticks

6) An old book that you don't mind tearing up. This is for found poetry.
