July 9-15, 2023

Welcome Photographers!

We are just a few days away from our week of photographic exploration at Ghost Ranch! We will be learning the basics of the camera, so no experience is necessary. However, if you have some experience in photography I am happy to help you build on your knowledge. We will be participating in many of the activities around the ranch such as high ropes, boating, and hiking.

We will be shooting with 35mm film cameras, which will be supplied by the Ranch. To develop film we work in a darkroom which involves chemicals, which are safe to use but I recommend bringing clothes that you don't mind getting a little dirty!

Please bring:

Hiking Shoes

A water bottle with a strap or is wearable

A flashlight

A 35mm film camera if you have your own but as I mentioned we have cameras available. Please make sure it has a working battery!

Sunscreen/ Hat

Please feel free to reach out to me if you have any questions. My email is [liz.arenberg@gmail.com](mailto:liz.arenberg@gmail.com).

I look forward to meeting you all!
