## Have Watercolor, Will Travel

with Deborah Rubin

G231046

September 22-28, 2023

Welcome Art Students,

I look forward to teaching you in glorious Georgia O'Keeffe country. You will be inspired!

I have been an artist from day one and an educator for 20 years. When I teach, it's all about you. When I'm in my studio, it's all about me. A nice combo.

We will be traveling around Northern New Mexico to a few small towns. So, make sure you have a hat, sunscreen, water, and some warm outer garments. It can be chilly in the morning and evening.

On our away days, we will take a sack lunch from the dining hall cafeteria but you are welcome to eat at restaurants at your own expense.

Art Supplies:

1. A. small WATERCOLOR journal or pad no bigger than 5x7
2. Three brushes: Rounds #3, #6. And either #8 or #10 or a 1/2" flat brush
3. Permanent black fine point marker. .05
4. Paints: a case of hard pan paints or you can use tube paints in a small container
5. Small container for water (yogurt container or smaller)
6. Rag or paper towels
7. Container to hold your supplies.
8. If you are driving, bring a folding chair and let me know so I can gauge how many chairs I will need at the ranch. I will have some for people who fly.

Supplies can be purchased online at Dick Blick, Jerrys Artarama, ASW, Cheap Joes, and others.

In Santa Fe: Artisan, 2601 Cerillos Rd. (full service fine art supply store) and Michaels, 3549 Zafarano Dr.

I'm looking forward to meeting you in October,  
Deborah
