Supply List

1) Notebook

Suggested: 9x12 or 11x14 sketchbook with blank pages, spiral bound or other, that will lie flat when opened. (The Trading Post at Ghost Ranch does sell two different types of journals that are suitable for our work.)

2) A few good line drawing pens. Pilot or Sharpie, for example, are good choices.

3) Colored pencils, watercolor pencils, markers, acrylic paints, charcoal pencils, gel pens, soft pastels. (In past classes, soft pastels proved to be a popular selection. There will be a sampling of materials for sharing, if you care to try a medium you aren't familiar with.)

4) Scissors

5) Glue sticks and small liquid glue like Elmers.

6) An old book that you don't mind tearing up. Especially sought: one with a spiritual or prayerful tone. This is for Found Poetry.
