1) White Buffalo Specialty Shuttle Service is contracted to provide a discounted shuttle service for Ghost Ranch-sponsored class participants. White Buffalo loads at the Sage Hotel in Santa Fe, NM. If you are coming to Ghost Ranch to participate in a ranch-sponsored class event, please make your own arrival and departure shuttle reservations with White Buffalo Specialty Shuttle Service: nivek@cruzio.com / 831-359-8077 / Kevin Spitzer - owner and benevolent driver.

On arrival date:

Loading for the trip to Ghost Ranch will begin at 2 pm. The driver will take travelers to the Ranch Welcome Center to register, and then to your designated lodging on the ranch.

The discounted shuttle cost is \$50/person each way, or \$100 total. You may choose one-way. (Gratuities are always deeply appreciated)!

For payment cash is king and checks are queen. We cannot accept credit cards.

2) For anyone flying into the ABQ Sunport or the SAF airport, and needing to get to The Sage Hotel (or other hotels in Santa Fe), or for anyone needing to return to either airport after your Ghost Ranch event, we recommend:

ABQ Sunport - Groome Transportation (505-474-5696 - \$46.52/person one way) provides early and late shuttles to and from the ABQ airport and The Sage hotel, along with numerous other downtown Santa Fe hotels and destinations Groome will help you reserve the proper shuttle time dependent on your flights. Reservations are requested, no refunds, gratuities appreciated.

Santa Fe Regional Airport - Certified Airport Transportation (505-577-1961/ \$50 one way) provides early and late shuttles (\$60 one way) to and from The Sage hotel plus numerous other downtown Santa Fe hotels, and also shuttles to and from the ABQ Sunport (check rates). Reservations are requested, no refunds, gratuities appreciated.

Train service from ABQ to Santa Fe - Contact Rail Runner Express (866-795-7245) which provides commuter train service from the Central Train Station in downtown ABQ to the Santa Fe Rail Yard Depot. With a reservation a free bus that runs every 45 minutes will take you from ABQ airport to the Central Train Station. The train ticket cost varies from \$4 - \$9/person for a ride on a double decker European style train through Pueblo land with stops along the way. At the end of the line depot you will have a 4 city block walk on level ground to The Sage hotel. Free bus, every 45 minutes, from the ABQ Central Station to the ABQ airport is provided with Rail Runner Express reservations on your departure.

If timing is tight to catch the train there are taxis available (\$5-10 plus gratuity), as well as Lyft and Uber (available all over New Mexico but service can be irregular).

White Buffalo Specialty Shuttle Service can provide service to and from the ABQ airport for an additional cost to participants of a Ghost Ranch-sponsored class. That added service might make sense if timing is tight for catching a flight or getting to The Sage hotel for the 2pm loading, especially if there are 2 or more passengers sharing the cost. Single passenger - \$110 Santa Fe to ABQ, 2-5 passengers - \$120

3) Other options to get to Ghost Ranch from Santa Fe

- Lyft/Uber - available all over New Mexico but service can be irregular.
- New Mexico provides free transportation via the 'RTD Blue Bus' which can be picked up using the Santa Fe bus line near the Santa Fe historic plaza which travels to the bus depot in Espanola. This connects with the Chama bus line, but there can be a 1 hour or more wait depending on the time of the day. The Chama bus line will take you to the entrance to Ghost Ranch - a 1.5 mile walk to the Ranch Welcome Center. Let your driver know that Ghost Ranch is your stop.
