Supply List

What should you bring for a week of sewing for the Ranch?

1. If you are driving and can bring your own sewing machine please do! If you are flying then rest easy, I do have several older sewing machines available at Ghost Ranch for you to use. \* PLEASE let me know ahead of time if you will need a sewing machine.
2. If you can bring your basic sewing/quilting supplies that would be great. You know that it is so much easier to use your own pair of scissors or rotary cutter. Don't worry if you cannot bring anything, I will have plenty of basic sewing/quilting tools available for you to use.
3. Feel free to bring your own personal quilting, sewing projects as there will be time to play too! I will have a couple of fun easy projects and fabrics available for you to play if you want to!!
4. Please check the catalog for all those other things that might be helpful to bring for your stay at Ghost Ranch.
