

Welcome

USA/Mexico Border - Faith Perspective

G25030502

with Rev. John Nelsen

April 4-6, 2025

Thank you for being a part of this class.

Whenever the topic of immigration is raised, most folks immediately leap to discussing politics or political solutions. As people of faith, we need to bring our faith values into this arena. The people of God have experienced immigration throughout the Biblical story as well as helping immigrants throughout the centuries.

What this class will do is to bring an up to date report of what is happening at the Border and how Tres Rios Presbyter Border Ministry and others in the faith community are responding. Along with current information, we will also focus on Misleading Narratives vs what is ACTUALLY happening at the Border, today's Global reality, Ministry Opportunities, and a brief review of a Border Encounter.
