Writers Roundup – information for participants

The Writers Roundup daily schedule focuses on individual work time. Optional sessions each day include a 9 – 9:30 am writing challenge, and a 1 – 2 pm session for reading and sharing work.

There will be a group social hour each afternoon at 4:30.

Most evenings at 6:45 – 8 the entire workshop will gather for writing exercises and conversation led by Robin and Lesley.

One on one critiques with Lesley and/or Robin can be arranged throughout the week.

The library – Cottonwood – is open 24/7. The swimming pool is open afternoons.

Participants will bring their own preferred work essentials – laptop, iPad, paper, notebooks, pencils, pens etc. Most housing and rooms will have a desk and chair. There are also places and spaces to write around Ghost Ranch including the library and shaded portals on various public buildings. Wifi is available but spotty.
