Welcome to Ghost Ranch Retreat on the Lord's Prayer!

I want to welcome you to beautiful Ghost Ranch for a weekend retreat based on the Lord's Prayer. Most of us know the prayer well, but few of us have plumbed the depths of its meaning. The Lord's Prayer is a hymn which declares the mysterious presence of God in our lives and world; thus it resounds with hope. It is also a revolutionary manifesto that invites us into a radically new social order based on the life and teachings of Jesus.

Tragically, in the eyes of many today, the Christian life has become largely identified with right wing ideology, a xenophobic nationalism, and a lust for privilege and power. The Lord's Prayer is an antidote to such misunderstandings.

During our time together, we will delve deeply into the meaning of the Lord's Prayer. I'll share historical interpretations, as well as various theological, artistic, and literary perspectives. In our conversations with one another, and our willingness for the prayer to give new direction to our lives, we will experience first-hand the transformative power of this ancient prayer.

Your presence and participation are encouraged and welcomed.

Peace,

San
