Dear Participants,

I look forward to meeting you soon and getting started on our week together. Sometimes the clay mix we get from NM Clay Company could have significant amounts of fiber in the clay body. These fibers make it more difficult to cut but give the pieces a great deal of strength when dry.

There is no need to bring any tools or equipment with you as the studio is well equipped with everything we will need. An apron, comfortable work clothes and shoes will do fine. I believe we have all else. Remember we are at 6700 feet and carry your water bottle everywhere! While all materials will be provided, please bring your creative vision, sense of humor, comfortable shoes, and a waterbottle.

Safe travels and see you soon,
Barbara Campbell

Workshop Itinerary:

Weekly schedule for True Green Clay

- Sunday evening orientation
- Monday-Wednesday afternoon - working with the clay
- Thursday and Friday morning - cold finishing
- Friday evening Art Show

We will meet at 9AM each morning and work until noon. There will be a two hour break for lunch and rest and the studio will be open from 2-4:30. Studio will again be open from 7PM until 8:30PM. Friday afternoon will be studio clean up and prep for the Art Show. We will officially say our goodbyes at the end of the Art Show.
