Hi friends!

Welcome to Ghost Ranch, I am excited to offer a fun weekend of immersion into introductory ASL. The learning activities will consist of your participation in learning fun ASL signs and phrases and learning about the Deaf community and culture. Your presence and your open-mindedness are the only requirements to learn!

For more information on the schedule and topics, please see the schedule below. I am looking forward to seeing you at the beautiful and serene Ghost Ranch.

Warmly,

Joi
