Welcome to Your Invitation to a Blessed Life!

Dear Friends,

I'm delighted that you are planning to attend my retreat on the Beatitudes. The Beatitudes contain an extravagance of wisdom in only a few short verses. As the prologue to Jesus' Sermon on the Mount, in Matthew's Gospel, they focus our attention on how we are called to live as children of God.

Sadly, Jesus has been hijacked by the religious right as the defender of white supremacy, patriarchy, and national hubris. Thus, it's so important to recover and embody the Jesus who came not to be served but to serve; the Jesus of the Beatitudes and the Sermon on the Mount; the Jesus who taught us to love our neighbors including our enemies; the Jesus of the cross.

During our retreat, we'll seek to explore the wisdom embedded in each Beatitude. Our aim is not simply to know more about Jesus and his teaching, but rather to enter the blessed life Jesus offers us.

I look forward to our time together.

Blessings,

San
