January 18-24, 2026

Welcome to Adult Service Corps!

We are so excited that you have registered for Adult Service Corps in January! Service Corps offers us an opportunity to help Ghost Ranch with our labor and work, and it offers a wonderful time for camaraderie and fun. Our work is often laced with laughter and good stories. If this is your first time on the Corps, know that you have a great week or weeks ahead of you – and for the old friends who are returning, it will be marvelous to see you all!

Service Corps members volunteer a total of 22 hours of work to the ranch in exchange for reduced room and board. Juergen will work with large projects, and Laura will work with the general projects. The final project list will be discussed during our orientation meeting. We will have indoor and outdoor projects to work on. Please let us know if you have a physical condition that prevents you from doing some tasks. We want everyone to be safe and to take care of themselves.

Please bring work clothes, gloves you can work in outdoors, boots or shoes in case it snows, warm hats and coats, sunscreen, and a water bottle. Please also bring your stories and laughter to share with us. I'm excited to share the darkest days of winter with you. Please email me at the address below with any questions you might have.

I'll do my best to find you an answer. The link for transportation services to the ranch is also below.

See you at the ranch!

We rely on White Buffalo Shuttle for our guests. Kevin Spitzer picks up at the Sage Inn in Santa Fe the afternoon of the first date listed, and returns to the Sage Inn the morning of the last date. His phone number is 831.359.8077. Email is nivek@cruzio.com

The best way to get to Santa Fe is Groome Transportation. They are very helpful in assessing your flight info and getting you on the right shuttle. 505.474.5696/
