Welcome to High Desert Watercolor!

Join me for a three-day workshop to learn the fundamentals of painting the high desert landscape in watercolor. Inspired by the same New Mexico vistas that moved Georgia O'Keeffe, we'll explore simple techniques for capturing colorful skies, distant horizons, and desert flora. Through guided instruction, you'll develop your own unique vision of this enchanted landscape. By the end of the weekend, you'll have completed several small paintings, gained a wealth of practical tips and techniques, and discovered the confidence to continue your watercolor journey.
