

Japanese Stone Wrapping G26040305

with Carrie Botto
April 24 – 26, 2026

Welcome to Stone Wrapping!

I'm Carrie and I'm thrilled to bring you on this journey. Together we'll explore the symbolic nature of wrapped stones and their many uses.

During class you will learn several foundational knots, which you will then be able to apply in your own way. There are plenty of rocks and lots of material to go around. You'll leave class with on average 3-8 wrapped stones.

I ask that you come to class with an open mind, a curious spirit and space in your heart to make mistakes- you're learning!

I can't wait to meet you, and see the art you create.
