

Family Week

G26030506

April 3-7, 2026

Welcome to Family Spring Break and Ghost Ranch!

We are so thrilled you and your family will be spending the week with us in this beautiful, red rock landscape.

We want to help make your visit as smooth as possible, and hope the following information answers any queries you may have. As always, please give us a call at 505-685-1000 for further support as needed.

After you register, you will be emailed a separate form to rank your top mini-workshop choices. Please note that all mini-workshops have a participant cap and are filled on a first-come, first-serve basis. The key is ranking your choices early! Please reach out if you have not received your google form with workshop choices within 1 week of registering.

Afternoons offer free time for you and your family to relax and explore all the Ranch has to offer. We encourage you to visit the Ghost Ranch website Activities page, ghost ranch.org/activities, to book any trail rides, tours, wellness offerings and more to experience the full wonder of it all.

So that you are best prepared and enjoy your stay, we would like to share important information about the Ranch setting. Ghost Ranch is located in the rural setting of Abiquiu, New Mexico. The Ranch sits at ~6,500ft elevation in an arid desert environment. We experience intense sun, though because of the high elevation, temperatures can cool significantly in the shade and at night. Also, because of our remote location, we are 45 minutes away from the nearest hospital/emergency services (Presbyterian located in Espanola) and while we have many first aid and wilderness first aid trained staff, please be prepared with any medications or medical supplies you need during your stay.

If you need assistance in getting to Ghost Ranch, we recommend booking a shuttle ride with White Buffalo Shuttle. Keven Spitzer picks up and drops off at the Sage Inn in Santa Fe (about an hour and a half from the Ranch). Please reach out to him at 831-359-8077 or email nivek@cruzio.com. If you need to get to Santa Fe from Albuquerque, we recommend Groome Transportation, 505-474-5696 or groometransportation.com.

Please see the suggested, individual packing list here:

- Clothes you can get dirty in (great for exploring the red rock landscape)
- Clothes you can layer (high altitude means it can get colder at night)
- Rainjacket (it does rain, even in the desert!)
- Swimsuit/water clothes (for our pool and waterfront activities)
- Water sandals (preferably with heel straps)
- Shower sandals (if you are staying in the dorms)

- Sturdy, walking/hiking shoes
- Sunhat or baseball cap
- Sunglasses
- Flashlight/headlamp
- Refillable water bottle
- Charging cord for your phone
- Day backpack
- Sunscreen
- Bug Spray
- Any important medications
- Electrolyte packets
- Toiletries (including shampoo/conditioner)

Here's to an unforgettable week of wonder!
